One upon a time there lived a lonely couple who only wished to have a child.

They lived in a little house all on their own.

At the back of the house there was a small little window from which a splendid garden could be seen.

This garden was full of very beautiful flowers and herbs.

No one dared to enter the garden as it belonged to a witch.

One day the women saw a plant called rampion which is rare and people use it in salads.

“Dear husband, I have a strong desire to have a salad made out of that plant”, the lady said.

“Oh But that belongs to the wicked witch!” The man said.

“Oh Please, do something. I really want to eat those Rampions”, the wife pleaded.

“Ok Dear, I will try to get them for you”, the husband replied.

At midnight, the husband climbed the wall into the garden of the witch. The man took the rampion and his wife made a salad out of it and ate it.

But the very same night, there was a knock on the door and the man knew something was wrong. “How dare you come into my garden and steal my rampions like a thief! You will suffer for it!” the witch shouted.

“Oh, please forgive me! My wife saw your rampions from the window and she wanted them so badly, that I could not say no to her”, the man begged.

“Oh! If that’s the truth, I will let you have as many rampions as your wife wants but only on one condition” the witch said.

“What is that condition?” The man was curious.

“You must give me the child which your wife will bring into this world” the witch replied. The man in his terror agreed.

As the time passed by, the couple gave birth to a beautiful little baby girl. The very same night the witch came to their door and took away the baby girl leaving the poor parents in complete sorrow.

“You are such a beautiful looking girl. I will name you Rapunzel and take care of you.”

The witch said.

The witch kept her locked in a tower with no doors and stairs but just a small little window. As time passed Rapunzel grew into a beautiful girl with very long golden locks.

After sixteen years, Rapunzel was a beautiful girl with very long golden locks. But her beauty went in vain because the cruel witch never allowed her to go anywhere. Sad Rapunzel just used to stand at the little window and sing sad songs. When the witch had to visit Rapunzel, she used to ask Rapunzel to let her hair down and she climbed up the castle with the help of her hair.

One day when Rapunzel was standing at the window singing sad songs, a very handsome prince was passing by. He stopped and looked here and there to see where this beautiful voice was coming from.

The prince noticed that the beautiful voice was coming from the tower. He climbed the tower and looked for the door but could not find one.

He went back home in dismay but Rapunzel's singing had touched his heart so much that every day he started going to the forest to listen to Rapunzel song.

One day when he was standing behind the tree, he saw the witch coming, and he heard what she said, "Rapunzel, Rapunzel! Let down your hair for me." Then Rapunzel let down her long beautiful hair and the witch climbed up the tower.

Oh! That's the way to climb up to the tower! I shall do the same. The next day when it began to grow dark, he went to the tower. "Rapunzel, Rapunzel, Let your hair down for me", he said. Immediately the hair fell down and the prince climbed up.

“Oh ... who are you?” Rapunzel asked him in great amazement.

“Oh lord! You are the most beautiful maiden that I have ever seen in my life. I have lost my heart to you. Will you marry me? Will you be my wife and live with me in my kingdom?” the prince said.

“Oh my Prince ! I wish that was possible but the witch won't let me go out of this tower and if she comes to know about you, she will kill you.” She said sadly. “I don't care! You are coming with me now. Come on Let's go!” The prince grew impatient.

“Oh Prince I am ready to go away with you, but I do not know how to get down. If I let down my hair, how will I get down?” Rapunzel said.

Next day the witch came and when she climbed up, Rapunzel, lost in her prince' thoughts, said, "You are lighter!"

"Lighter than what?" the witch asked in amazement. So someone wants to take Rapunzel away! The witch understood.

The witch took a big pair of scissors and chopped off the long beautiful hair of Rapunzel. Rapunzel was left all alone in the desert by the witch to live in grief and misery.

Meanwhile the prince returned the next evening to take Rapunzal away. Rapunzal Rapunzal! Let down your hair. The wicked witch let down the long hair that she had chopped off from Rapunzal's hair and the prince climbed the tower without knowing what was awaiting him.

When the prince was about to enter the window the wicked witch left the chopped off hair. The prince fell off the tower into the thorny bushes under the tower. The Prince started bleeding from his eyes as the thorns blinded him completely.

The witch cast a spell on the prince and he wandered in woods around the world without any sight and survived in poor conditions.

Meanwhile the prince roamed about in misery for two years, and finally he got to the desert where Rapunzel was left by the witch. He suddenly heard the beautiful sad voice of his beloved and started shouting in excitement!

That voice!

That voice!

Is it you Rapunzel?

Is it really you?

He went towards her, and when, Rapunzel saw him, she cried.

"Oh prince, you finally found me!"

I missed you so much! I am so happy to see you that I can't stop crying. Two of her tears fell on his eyes and they grew clear again and he could see with them as before. I can see again! Oh my sweet Rapunzel?"

Let's go back to my kingdom. He took her to his kingdom. After a year Rapunzel gave birth to a pretty little baby girl who looked just like her and they lived happily ever after.
